MICRO CENTER

PROTECTION PLAN

Trusted service. Enduring protection.

3D Printers

Keep your 3D printer safe from everyday issues. Choose up to three years of comprehensive coverage, including parts and labor for issues arising from regular use. Enjoy peace of mind knowing you're protected!

Why choose us?

No deductibles or additional fees
What you see is what you pay

No third-party claims
We handle the process from day one

Repair or replacement guarantee
Our in-store technicians and extensive parts selection ensure quick service — if your product can't be repaired, you'll get a replacement or a gift card for the purchase price*

Surge protection
If your surge protector fails and your connected 3D printer is damaged, you're covered
