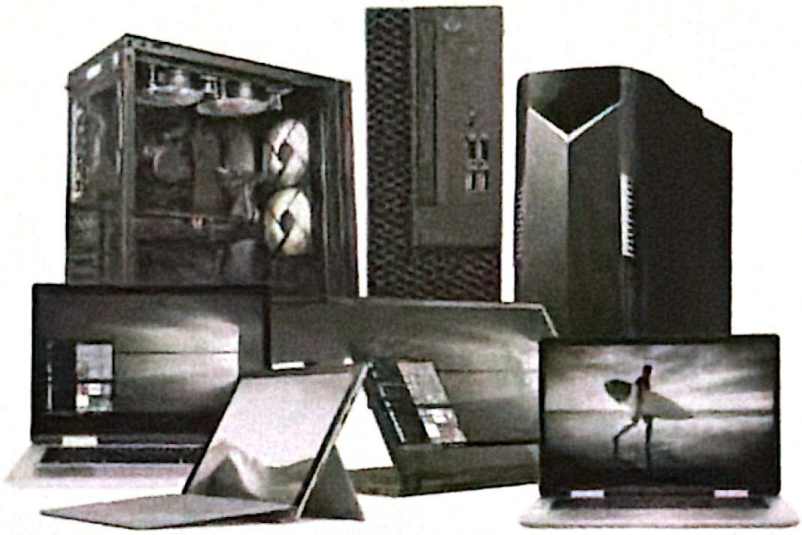
MICRO CENTER

New PC Upgrades & Installation Services

Custom Built to Your Needs!
Whether you need specific hardware requirements to run software or future proof your new PC, Micro Center has certified technicians available to upgrade your new PC to boost the performance of your new PC!



Simple Hassle-Free Process
Most of our services can be completed same day!

Industry-Leading Certified Technicians
Our techs are authorized service providers for companies such as Apple, Dell, HP, Lenovo, Acer, Asus, and MSI. In Addition to being A+ certified, they receive regular training to stay up-to-date on the latest tech.

- Add or upgrade your Solid-State Drive for faster startup times, store more information, or more applications
- Go from 4GB to 8GB, or 8GB to 16GB with a RAM Upgrade to speed your computer up
- Keep your old files and pictures with a Data Migration
- Let us walk you through setting up an account, installing your new software or both

If you are not close to a Micro Center, have questions about your plan, or need phone support please call 1-614-850-3670
